Today promises to be a delightful celebration of colour, flowers, and some of Auckland's most beautiful gardens.

Enjoy a scenic drive across the Harbour Bridge as we make our way to the Auckland Domain.

Here, you'll enjoy a lovely cuppa at the charming Wintergardens Café before having time to wander through the magnificent Wintergardens. Admire the vibrant seasonal displays, beautifully maintained flower beds, and tranquil garden settings that make this one of Auckland's most treasured green spaces.

Once everyone has had time to enjoy the gardens, we'll continue to Cornwall Park for the second part of our day.

Here, you'll be treated to an elegant High Tea at Cornwall Park Bistro, surrounded by the park's picturesque grounds. After lunch, there will be time to explore the historic Huia Lodge Discovery Hub and the charming Acacia Cottage, one of Auckland's oldest surviving wooden homes.

We'll conclude our day with a leisurely drive through Cornwall Park, taking in the beauty of spring. Keep an eye out for the adorable spring lambs, colourful blossoms, and the magnificent avenues of flowering trees that make this time of year so special.

Today we're heading out to the wild West Coast to enjoy the rugged beauty and charm of Muriwai.

Our adventure begins with a scenic drive west to this iconic coastal beach town, where we'll stop at the charming Muriwai Deli for a relaxed shared morning tea.

Afterwards, we'll head off on a fascinating tiki tour through the beautiful cliff-top residential area, taking in the homes, scenery and coastal views along the way. Our drive will finish at the beach car park, where we'll enjoy a spectacular view overlooking the wild West Coast and Muriwai Beach.

Leaving Muriwai behind, our journey continues to the GameKeepers Restaurant at Settlers Country Manor in Waimauku for a delightful lunch.

*Settlers Country Manor is a very beautiful historic building. It was originally built as a dairy factory in the early 1900s. Producing mainly butter, it was the heart and soul of a thriving farming community until the late 1950s.*

*The building has been home to many things in its life, from a storage facility for old World War II planes to an arts & Craft shop. Purchased privately by the Jack family in 1972, the building has been slowly restored and developed into a warm and gracious old dame of a building.*

Our annual trip to the Fo Guang Shan Buddhist Temple has been such a hit over the past few years that we're excited to offer it again this year.

We'll start with a scenic drive across Auckland to the breathtaking Fo Guang Shan Buddhist Temple in Flatbush. This serene hidden gem is enchanting, especially in late spring if the cherry trees are still in bloom.

We'll start with morning tea at the charming Water Drop Café, then you'll have plenty of time to explore the temple at your own pace.

If we're lucky, the cherry blossoms will still be in bloom. Even if they aren't, there's so much to see from the numerous exhibitions and tranquil spots with benches scattered throughout the temple grounds.

The Fo Guang Shan Temple is undoubtedly one of Auckland's most tranquil and beautiful settings.

After our visit, we'll head to Bronco's in Manukau for delicious pub style lunch before we begin our journey home.
